

Longfield Nursery Newsletter

Week beginning: 18th March 2019

It was fantastic last week that we had the opportunity to see some of the eggs hatch. It is amazing how quickly they develop. The chicks have now been collected and returned to the farm. They are all then rehomed.

unaware of the danger behind her.

The story uses lots of prepositions, such as 'across,' 'under,' 'around' and 'through,' so the children took part in an obstacle course where they will be travelling across, under, over or through. Please try to use some of these words as you walk to and from nursery.

We will be making a story map of Rosie's walk and labeling the areas of the farm she visits. For our math's work we will be making repeating patterns using colored counters and beads. The children loved making the bread rolls on Monday and they smelt delicious as they cooked. Hopefully the children enjoyed eating them!

Letters and Sounds

This week the children were taught the letter sound 'n'. See if your child can think of any words that have the 'n' sound in them - net, nut and nine.

Thanks for your continued support

Nursery team.
